

# How to Rate and Review on YouTube

If you're logged in to your Google or YouTube account, you can leave comments on videos with the feature enabled. The comments section can be found underneath the video description on both mobile and desktop.

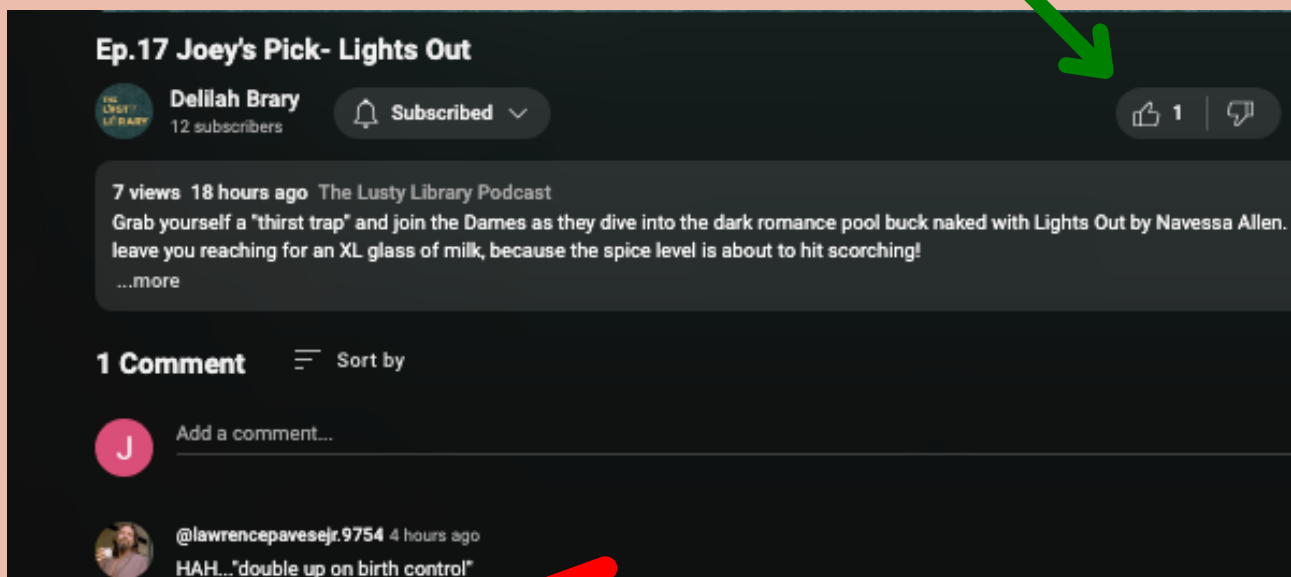

Here's how to leave comments on YouTube using your iPhone, iPad, Android, or computer.

**Step 1- Go to show page and click subscribe**

**Step 2- Click on any episode**

**Step 3- Give a thumbs up to the episode**

**Step 4- Leave a comment**
